---

12 months size (see measures on the last page)

gauge 22st/10cm  
circular and double pointed 3.5mm needles  
stitch holders  
3 buttons  
2 skeins of Malabrigo Lace *periwinkle* 192 (430 meters each)  
yarn is knit in double (at the end, i had 30gr left)

*for a nice result, it's important to get the gauge ! no matter if you have to change needles or yarn to get it, the given metrage will help you if you change yarn*

the cardigan is worked in one piece, top down

---

co 58 stitches and knit 3 rows garter stitch, in the beg of the 4th row, make a buttonhole like this : k2, yo, k2tog  
continue in garter stitch until the beg of the 6th row (you have 3 garter ridges now) and make the first increases row like this : k4 (border), \*k2, m1\* and rep from \* until 4 stitches before end of row, k4 (border), knit one row

the increases rows are always worked the same manner, every 8th row, so after the 3th, the 7th and the 11th garter ridge

you have 176 stitches, knit again until you have 13 garter ridges

on next row, place the last increases « in group » like this :  
k4 (border), k4, kfb, kfb, kfb, \*k9, kfb, kfb, kfb\* ref from \* until 9 stitches from the end, k5, k4 (border)

you have 218 stitches, purl one row !  
the garter stitch part is done, now you knit in stockinette  
✂ be carefull ! the 4 first and last stitches, for the border, are always in garter stitch

knit 4 rows in stockinette before beg lace chart (*see last page*) on the first row place the second buttonhole

knit rows 1 to 16 of the lace chart  
body and sleeves separation is worked on row 17, like this :  
k4 (border) k31 (front), place next 42st on an holder (sleeve), cast on 2 stitches, k64 (back), cast on 2 stitches, place next 42st on an holder (sleeve), k31 (front), k4 (border)

purl one row, you have 138 stitches on needles

continue following lace chart, knit the whole chart 2.5 times from the body/sleeves separation, ending on the 10th row

✂ **be careful !** about the last buttonhole, count how many garter ridges you have between the first and the second buttonhole, and place the third with same space (*in my case 13 garter ridges*)

switch to garter stitch for 9 rows, and bind off on the 10th
